Create a Kentucky Music Hall of Fame Plaque

Kentucky Music Hall of Fame Plaques describe the success and impact of the inductee and feature a portrait of the Hall of Fame Member. Let's Plan Your Design!

Make some notes or sketch some ideas to get started. Here are some thoughts to consider:

- Write some words to describe you or your character.
- What was your character's contribution to Kentucky Music?
- What songs did your character play or sing on?
- What do you want people to know about your character?

Draw your Kentucky Music Hall of Fame Plaque below for you or your character!
